

Volunteering Application

There are ongoing volunteering opportunities with Andover Trees United, from outdoors manual and physical work to behind-the-scenes admin and much in between.

Regular workdays in the wood:

- Every Monday 10am – 1pm
- 2nd Saturday of the month 10am-midday and 1:15 – 3:30 (all day or half day)

Other workdays are scheduled as needed. Volunteers are emailed to alert them to these opportunities.

Communicating with you

We encourage volunteers to sign up for the monthly newsletter. Andover Trees United has a website <https://www.andovertrees.org.uk/> and can be found on Facebook, Twitter, Instagram and Linked-in. Questions can be emailed to the general inbox volunteers@andovertrees.org.uk or directly to the volunteer leaders, details provided once forms have been completed.

Please provide us with some simple information about yourself, as well as your availability and preferences for involvement (*form continues below*). We will then arrange dates and times with you to maximise everybody’s chance to be involved in their preferred interest area. Experience is NOT necessary.

Please fill in this form either digitally or by hand and return a copy or photo of it to us by email to sarah.kennie@andovertrees.org.uk
