

Park at Augusta Park Sports Pavilion, assessed via Augusta Park housing development and proceed past the pavilion through the gates into the wood - the Harmony Woods section is to your left at the end of the stone track.

Alternatively, there are parking spaces adjacent to the B&W cottage in 'The Green' in Enham Alamein (it's not a 'house') - *please do not park around 'The Green'*; alternatively, plenty of spaces behind the Enham Trust charity coffee shop opposite - a great place for a light lunch or cake and a cuppa after your walk.

Walk up Anton Lane, past last houses on the left, past fingerpost footpath sign, walk another 50m and you will find steps cut into the bank on your left.
